

NOTES ON SOME NEW SOUTH WALES HEPATICS.

BY THE REV. W. WALTER WATTS.

(Continued from Proceedings, 1901, pp. 215, 633.)

I beg to place on record the following additional Hepatics, named in a recent return from M. Stephani, through the good offices of Dr. E. Levier, to whom they were sent in November, 1901.

(1) Species collected by me on the Richmond and Brunswick Rivers:—

Aneura pinnatifida, Nees; East Ballina, March, 1901.

Chiloscyphus argutus, Nees; Ballina, July, 1901, Alstonville, Sept., 1901.

„ *limosus*, Carr. et Pears.; Ballina, July, 1901.

Fimbriaria conocephala, Steph.; bank of cutting, Rous, Sept., 1901.

Frullania megalocarpa, Tayl.; East Ballina, March, 1901.

„ *clavata*, Tayl.; East Ballina, May, 1901.

Jungermannia montana, Steph.; Alstonville Cutting, March and June, 1901, Shaw's Bay, Ballina, April, &c., 1901.

Lejeunea (Eulejeunea) cuspidistipula, Steph.; on "tea" tree, nr. Ballina, May, 1901.

„ „ *elobata*, Pears.; on tree, East Ballina, March, 1901.

„ „ *tasmanica*, Gottsche; brooklet, Alstonville and Rous, May, 1900, etc.

Lepidozia capilligera, Lehm. et Lindenbergl; Alstonville Cutting,
June, 1901, Tuckombil, April, 1901.

„ *glaucophylla*, Tayl.; Tuckombil, Alstonville, April,
1901.

„ *gracillima*, Carr. et Pears.; nr. Ballina, March and
July, 1901.

Marchantia cephaloscypha, Steph.; Byron Bay, Oct., 1901.

Metzgeria crassicostata, Steph.; Tuckombil, Alstonville, Sept.,
1901.

„ *furcata*, (L.) S. O. Lindb.; Myocum, Brunswick R.,
Oct., 1901.

Plagiochila fasciculata, Ldnbg.; Head of Wilson's Creek, Oct.,
1901.

Pycnolejeunea longidens, Steph.; on trees, E. Ballina, May, 1901.

Radula Mittenii, Steph.; Head of Wilson's Creek, Oct., 1901.

Trachylejeunea elegantissima, Steph.; growing on *Pteris falcata*,
Tuckombil, Alstonville, Sept., 1901.

There are included in the return six new species, five of which M. Stephani has done me the honour of dedicating to myself. These will be recorded when described.

(2) The following were also returned :—

Fimbriaria Drummondii, Tayl.; Albury, leg. Arthur Sharpe,
July, 1900.

Frullania pycnantha, Tayl.; Tamworth, leg. C. T. Musson
(No. 658).

Trichocolea tomentella, (Huds.) Nees; Kurrajong, leg. C. T.
Musson.

CORRIGENDA.—My last list of records, by an unfortunate slip, gave *Frullania Hampeana*, Nees; it should read *F. Hampeana*, Lindenbergl. A slip of Dr. Levier's led me to record a Tasmanian species, *Marsupidium setulosum*; this should be corrected to *Acrobolbus unguiculatus* (H. f. Tayl.).
